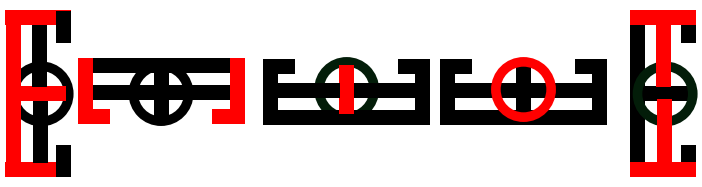
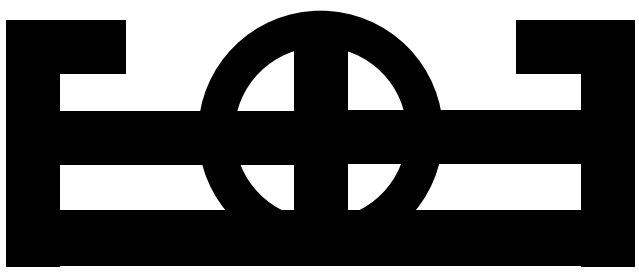
031D09	2D9500	B80C09	4F5D75	FFFFFF
Dark green	Forest green	Engineering orange	Payne's gray	White

My logo is literally just all the letters of my name jumbled together.
Might redo it in a CAD sketch environment.





Rounded pictures in borders.

Bit of an up and down for *style*

(probably not going to look very good, but with some fancy borders it might)

Each picture is about a section

Almost certainly just screenshots of stuff I've done

Chunk of text in a box of it's own. Mini-about me, explanation of what this page is, etc.

Image example of ICE

ICE PROJECTS!

Some text explaining the ICE projects.

- Bulleted
- List
- Of
- What
- I
- Did

(No actual text here. Just a little gap for spacing)

BIG PROJECTS!

This is a box about some more involved projects we did in class. Well, if it's not all just WWR.

Image example of more involved projects

Image example of WWR.

Some text about whitewater rafting

About Me. not too much personal info just some stuff.

Picture of me or my profile pic or a group photo with an arrow pointing me out, etc.

Footer with form that says 'contact me' Not sure how to make it actually work but I'll do my best.
